

ARH Bursary Fund - Introduction

As part of the Alliance of Registered Homeopaths' (ARH) commitment to supporting both homeopaths in practice and the homeopathy profession, the ARH has established a bursary fund to help second year students or above, who intend to become practising homeopaths, and who might genuinely benefit from some financial support during their training.

The ARH has allocated funds to allow for up to five students per year, who meet the criteria set out below, to receive £1,000 each towards their training in homeopathy. **The bursary is available to students already in their second year, or above, of study**, who attend a course which is a participating* member of the Homeopathy Course Providers Forum (HCPF). This bursary is only available for undergraduate homeopathy training.

Students applying for a bursary will first need to discuss their request with their college principal. The principal needs to confirm that the student applying for the bursary intends to practise homeopathy on completion of their studies, and that:

- the student shows aptitude in, and commitment to, their studies
- the student has a good course attendance record
- the student will genuinely benefit from being granted a bursary

The student will need to complete an application form which must be sent to the ARH as a hard copy, and must include a signed endorsement from the college principal. When using video as a response format, please send us the video/s on a memory stick, together with any typed responses (and this application form). In addition, applicants are required to send one electronic version of typed responses, as an email attachment to info@a-r-h.org.

Please note, unendorsed bursary applications will not be considered.

The Board of Directors of the ARH will consider all the applications, and assess each one individually to see how they meet the following criteria:

- **The student is able to communicate effectively why they believe homeopathy to be healthy medicine**
- **The student is fully committed to becoming a practising homeopath upon completion of their studies.**
- **The student will genuinely benefit from help towards their training costs.**

Please note:

- **Successful applicants will be expected to submit a monthly student diary for inclusion in the diaries section on the Which Homeopathy Course website.**
- **In addition, upon completion of their course, successful applicants will be required to write a reflective article for publication in the ARH journal.**
- **The bursary will be paid directly to the course provider.**
- **The ARH Board's decision is final.**

**A 'participating' member of the HCPF is a course provider who has paid their HCPF subscription fees, and who sends a representative to the minimum of one HCPF meeting per membership year.*

Bursary applications 2020

Closing date for bursary applications 2020 is **31 May 2020**

Successful applicants will be informed by the **31 July 2020**

Your details

Full name:

Date of birth: Nationality:

Address:

Town: County: Postcode:

Tel no: E-mail:

Occupation:

Name of College and current year of study:

Name of College Principal:

Your submission

Please answer the following:

- 1/ Why homeopathy – why do you want to be a homeopath?
- 2/ 'Homeopathy is just a load of woo woo nonsense, and homeopaths are charlatans, who trick gullible people into thinking that homeopathy can treat disease.' How would you respond to this accusation?
- 3/ What difference will a bursary award make to you?

The ARH Board wants your responses to be exciting, inspiring, convincing and original. The bursary awards will be granted to applicants who, in the opinion of the Board, meet those criteria.

Your answers may be presented in any of the following formats:

- Text – maximum of 200 words per question
- Visual – this can be an image or video, which encapsulates your response/s – videos should not exceed 50 seconds in length.
- A combination of visual and text, such as a PowerPoint presentation – 10 slides maximum.

You can use different formats to answer each question, so for example you can answer question one as a video, and answer questions 2 & 3 as text, or any other mixture which works for you. Please ensure that your name, email address and phone number accompany each part of your submission.

Please note that the ARH may use your submission, or part thereof, for promotional purposes.

Please include this application form, **which must be signed below by your College Principal**, together with your typed answers, and/or a memory stick containing a copy of your video/s.

Send everything to: **The Alliance of Registered Homeopaths, Millbrook, Millbrook Hill, Nutley, East Sussex, TN22 3PJ**. We also require you to send any typed responses to the questions as an email attachment to **info@a-r-h.org**.

I confirm that the student named above is currently studying homeopathy at my college, and in my opinion meets the criteria outlined in the introduction of this bursary fund application form. I fully endorse this student's application.
